Alzheimers

Wherever you live, if you are affected by dementia, you can get vital support and advice from your local Alzheimer's Society. That support is dementia specific and available at no cost to all who need it.

Alzheimer's Manawatu and Alzheimer's Wellington provide education workshops, carer support groups, social groups for people with dementia, personal advocacy and referrals to other agencies for all people affected by dementia.

Your local support people are Anne Lowry of Alzheimer's Manawatu that covers Horowhenua and Trish Howard of Alzheimers Wellington covering Kapiti.

They can be contacted on 0800 004 001. If you, or someone you know, needs help to live well with dementia, please call or see more at: <http://www.alzheimers.org.nz/manawatu> OR <http://www.alzheimers.org.nz/wellington>
