Planning a really big project or have time to help someone who is?

The Lions Club of Kapiti (Inc) wants to hear from you. Whether it's a big project on the scale of the universe, or a big project in your universe, Lions may be able to help.

Lions are ordinary people from all walks of life who enjoy getting together and doing good things. Lions Club of Kapiti was formed in 1963 being the first in the region. While some Lions Clubs have male only membership, the Lions Club of Kapiti have moved with the times welcoming female members into the fold.

Members get together for an evening meal at the Kapiti Senior Citizens Club, Ocean Road, Paraparaumu on the first and third Tuesday of the month. Often guest speakers are invited and future projects are discussed and planned.

The Lions' motto is WE SERVE. Lions get enormous satisfaction making a difference in the community, enjoying friendship and fun while doing so.

To ensure electricity is delivered to your boundary safely and reliably call Electra first if you experience:

- no power
- flickering lights
- no hot water
- tingling or electric shocks off your taps, appliances or metal benchtops
- damaged Electra equipment located in your community
- someone tampering with Electra equipment
