

# Caring For Our Community

## Happy feet at the Otaki Dance Group

Dancing is fun, keeps you fit, and according to members of the Otaki Dance Group, keeps you happy. Beginners and experienced dancers are welcome to join in the fun and meet likeminded friends.

Beginners learn simple sequences then build up to harder dances. There's plenty of support from those with experience if the brain moves a little slow!

*You don't need a partner to join in - there'll always be someone to dance with. And there's no problem if you bring along a friend - it's just about having fun. In fact, the best advice the group has to beginners is that if you don't laugh at yourself, you'll never learn.*

Beginner classes are on Tuesday's. They also have dances one Saturday per month. Email all enquiries to Barb; francis.mike@xtra.co.nz

Community groups needing funds can supply supper and do the washing up in return for a donation.

*Eunice (left) is 94 and hardly misses a dance, though she does leave the 'quick ones' to the youngsters. Barb (right) is on the organising group and says she's made some wonderful friends over the years.*
