Learning to sail adventure, fun, and great life skills

Thanks to the Learn to Sail programme at Kapiti Boating Club, kids get the thrill of adventure, discover their passion for sailing, and learn social skills that will set them up for life.

Right: Troy, 13, has been sailing for six years. He competes at a national level, as well as local Sunday morning sailing. He even has his eye on Team NZ. "I like challenges," says Troy. "The sea and weather change every day, so it's always different out there."

Find out about Sunday morning adult sailing too

Left: Levi, 14, started sailing when he saw his brother Troy having so much fun out on the water. "It's like having an adventure every time you go sailing," he says. "And you learn to be part of a team."

Dylan will learn to sail in October, for the first time. "It looks better than other sports because you get to go out to sea."

When the power goes off

- Check your mains switch is turned on at the switchboard;
- Check all your fuses.

If both appear to be working there might be something wrong with your electricity supply so please phone Electra on 0800 567 876 - 0800 LOSTPOWER.

If you do not have one of these fridge magnets please call Electra

0800 353 2872
 and we will send you one
