

Part of Our Community

Ian Allen (left) and Ollie Olsen are no strangers to community education. As well as showing off the popular fire truck, their community engagement includes giving fire safety information, especially to children.

Help celebrate these vital emergency and community services on a fun day out on the 25th of February. Find out exactly what goes on behind the scenes of these amazing organisations and meet some of the people who keep Kapiti safe.

Police dog handler displays are a popular part of the Kapiti Expo.

The Expo includes many stalls from a wide range of emergency and community service organisations, plus food and crafts.

Kapiti Expo 2012 Celebrate a safer Kapiti community
