Kapiti Arts & Crafts Society Inc.

The Kapiti Arts & Crafts Society Inc was founded in 1974 by local artists and like minded crafts people. Membership is open to anyone regardless of their ability as experienced members offer encouragement and assistance.

Members have a huge variety of skills. From drawing and painting in most mediums, to pottery and textile crafts which includes bear making, embroidery, quilting, spinning, weaving, knitting, felting. There are wood carvers, art stampers, doll makers and jewellery artists. From time to time members suggest new skills, currently a music group is canvassing for interest.

After working from a variety of venues, the Society made a permanent home

at 192 Matai Road, Raumati Beach in 1986. Facilities include a gallery, kitchen, workroom, potters wheels plus two kilns.

The attached gallery is often the first place members exhibit their work and is included in the annual Kapiti Arts Trail. The Society also operates a shop at the Raumati Village.

The annual subscription of \$85 allows members to take part in all the group activities. The subscription is reduced to \$80 if paid by 31 January, 2019
