Our Community

Rotary Club of Levin members have held weekly meetings since 1945. As well as enjoying each others company over a shared meal, members plan projects to undertake both locally and further afield. Initially a 'gentlemen's club', women have been included since 1989 and play an important part within the organisation.

To continue carrying out the Club's good work, Levin Rotary extends an invitation for people to come and join them. There is the option of becoming a fully subscribed "Rotarian", or if you prefer, a "Friend of Rotary". Friends are not

members, but share Rotary's ideals and help out with Rotary projects.

Recent projects undertaken by Levin Rotary include building and auctioning of a completed three bedroomed, relocatable house. The proceeds were used to set up funding for Chromebook computers to be

Levin Rotary arranged the recycling of 400 beds from the old Kimberley Centre. They filled a shipping container and the beds were sent to the Solomon Islands to

Rotary Wants YOU!

available in local schools. The Rotary Youth Driving Awareness programme this year was attended by 350 students from Waiopahu, Horowhenua, Manawatu and Otaki Colleges.

Local organisations supported by Levin Rotary includes the Horowhenua Community Health Shuttle, Salvation Army, Riding for the Disabled, Women's Refuge, Samaritans of Horowhenua, Waitarere Beach Life Saving Club, St Johns Levin, and the Youth Health Service.

help establish a small hospital serving 45,000 people.

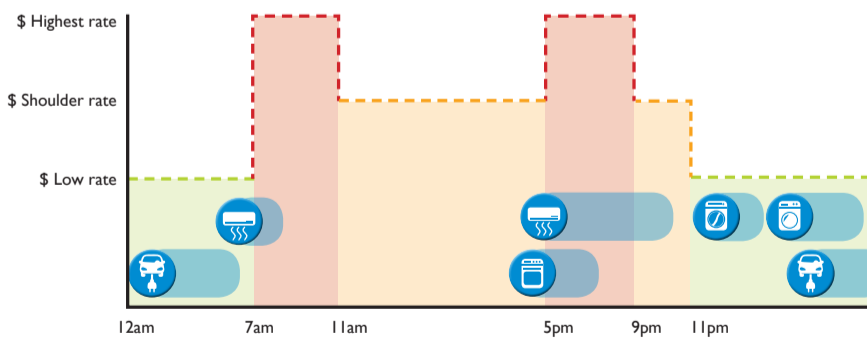

If you want to make a difference and give something back to the community check out Rotary Club of Levin.

Meetings, including dinner, are held at Western House, 149 Tiro Tiro Road, Levin on Tuesdays at 5.45pm.

Choose to Save with new TIME OF USE plan from Electra

If you are away most of the day or can shift the use of appliances out to low charge times choose TIME OF USE.

Potential Electricity Cost

Electra has new time of use price options that are specially designed to enable greater savings when power is not used during peak times by avoiding peak times of 7am – 11am & 5pm – 9pm with the biggest savings available overnight from 11pm – 7am.

Lots of appliances allow you to delay or schedule the start time. Using these to start when power is cheapest can save you money on your power bills.

Contact your power retailer to ask how Time of Use pricing from Electra can save you money.

Electra owns and operates the electricity network throughout Kapiti and Horowhenua.

Our owner is the Electra Trust. Electra's Trust ownership ensures that we deliver an annual electricity sales discount to all consumers connected to our network.
