HOROWHENUA COMMUNITY HEALTH SHUTTLE

The service began in 2008 with two return journeys a day for 38 passengers a month. Now four passenger vans with wheelchair lifts, make five weekday return trips and one on a Saturday.

The shuttle departs from Levin's Horowhenua Health Care Centre and stops for passengers in Levin, Shannon, Foxton and Tokomaru. This enables up to 10,000 local passengers a year to access health care in Palmerston North. Patients being discharged from hospital can also be collected.

A co-ordinator is employed to handle the logistics of such a busy schedule.

For every journey the shuttle is manned by a volunteer driver and support person. Without these wonderful people, the service could not exist.

New volunteers are always needed. Applications are welcome from people with the ability to cover any rostered return trips.

A round trip is approximately four hours. Drivers will need a full license.

Operating as a Charitable Trust, donations are vital in maintaining and upgrading the shuttle vans. There are envelopes and donation boxes on all of the shuttles.

For full information on the Health Shuttle Service, visit the Horowhenua Community Health Shuttle facebook page or www.horowhenuahealthshuttle.org or phone 06 368 5519.

Donations and volunteers are the life blood of the Horowhenua Community Health Shuttle service.

ALERT! Tampering with Electra power poles

DANGER
LIVE WIRES
ABOVE

Tampering with Electra equipment puts your families lives at risk of death and increases the chance of fire in your home. We are seeing increasing incidents where these acts have caused damage to property.

Tampering with Electra equipment costs you as an Electra Customer, is significant and reduces the value of the yearly sales discount.

Emergency repairs to Electra equipment may result in your home being disconnected from power without warning.

Electra has increased its efforts to deter theft by adding additional security features to its equipment.

If you see any suspicious activity around Electra's poles please report it via 111 or if you have any information and want to remain anonymous you can call Crimestoppers on

0800 555 111
