## Volunteers lend me your ears!

Volunteer Central is hosting the 2021 Horowhenua Volunteering Expo on Thursday 11 March from 10am to 2pm at the Te Takere Youth Space, 10 Bath Street with free admission to everyone.

The expo allows people to meet organisations that have volunteer opportunities and also showcases the various services they provide to the community. Through people connecting they can discuss and find ways to collaborate and develop positive community relationships.

### Connection:

Skill matching people who are looking for volunteer opportunities, with organisations that need volunteers with their skills.

### Awareness:

Raising awareness of the positive impact volunteering has on individuals, organisations, communities, and our country.

### Recognition:

Recognising and acknowledging that the time and commitment of volunteers is precious, which builds a strong and united volunteer group.

### Community Development:

Working with local councils on community development initiatives to improve community health and connections. A few recent examples include Horowhenua Healthy Youth Strategy, Older Persons Network forums, Refugee Resettlement.

Volunteer Central supports communities on a number of fronts:
