ROTARY CLUB – LEVIN

75 Years of Community Caring

Rotary Club of Levin sponsored the Levin Town Clock, the Market Gardener Sculpture and contributed time and man power to the Levin Adventure Park and that is just the tip of the contribution iceberg Rotary makes to our community.

Rotary Club of Levin's commitment to community service is ongoing, giving much support to an incredible number of local youth and welfare initiatives including Levin Women's Refuge, Skills4Living, Riding for the Disabled, Levin-Waitarere Surf Lifesaving Club, Grandparents raising Grandchildren, Levin Interchurch Foodbank and Daffodil Day as well as Youth Driving Awareness (RYDA), Youth Leadership Awards (RYLA), Youth Programme of Enrichment (RYPEN), 'Kids Day Out' and the presentation of illustrated dictionaries

to local low decile school pupils.

It is 75 years since Rotary was formed in Horowhenua and the organisation certainly lives up to the parent motto "Service Above Self" and the philosophy of unselfish volunteer service. Rotary has a global network of 1.2 million volunteers. New members are always welcome. If you are in Horowhenua as

far as Foxton, and share a passion for community service, Rotary Club of Levin would love to meet you. They hold weekly meetings with interesting guest speakers.

If you are interested in your community and have a little time to commit visit <https://rotarylevin.club> or Rotary Club of Levin weekly Tuesday meeting 5.30pm at the Levin RSA Community Hub.

BE PREPARED! Do's and Don'ts in a power cut

Disconnect sensitive appliances like computers and TVs to avoid damage from a power surge.

Don't go near broken power lines!

Don't use candles as these can cause fires.

Keep a torch and spare batteries handy at all times.

Use your gas bbq or camp stove to cook food.

Electra

owns and operates the electricity network throughout Kapiti and Horowhenua. Our owner is the Electra Trust. Electra's Trust ownership ensures that we deliver an annual electricity sales discount to all consumers connected to our network.
