

Electricity Network Charges Kapiti Coast and Horowhenua: Effective 1 April 2013

Electra owns and operates the electricity lines and distribution assets in the Kapiti-Horowhenua region.

Electra invoices these charges to Electricity Retailers, who then include these in your regular electricity bill.

Electra Electricity Network Charges from 1 April 2013 compared to existing prices (excluding GST)

Users (Est)	Price Code	Price Option	Price Option Component	Time Zone On	Line Function cents / unit		Transmission cents / unit		Total cents / unit

0	S	Supply Charge - Standard Industrial		cents/day	-	50.00	-	20.00	-	70.00

Power Factor Charge

This applies to commercial consumers. Where the power factor is less than 0.95 Electra reserves the right to impose a power factor charge. The charge will be based on a multiplier of 2% of the monthly total Network charges for every 0.01 power factor below 0.95 lagging.

Closed Option

The Combined option is no longer available except to existing users.

Triple Saver Option

The Triple saver option is only available to consumers using more than 25,000kWh per year.

Standard Industrial Option

New option commencing 1 April 2013. Only available to consumers using more than 25,000kWh per year. Existing Triple Saver consumers using over 42,000kWh may benefit by moving to this option. Please check with your Retailer.
