

Part of Our Community

This vital community service operates Monday to Friday, transporting clients who live in Otaki and Horowhenua to-and-from medical-related appointments throughout the District and Palmerston North.

The local St John health shuttle service began in 2009, helping patients with limited transport options attend medical appointments.

"The commitment and dedication of our volunteers is humbling, and a credit to St John. Over and above transporting clients, our volunteers also clean and help maintain the vehicles, as well as helping with St John fundraising events and other community activities," Jen said.

"We currently have 20 shuttle volunteers, but are always looking for more and would love to hear from anyone who may like to help out. We're a friendly bunch and have great camaraderie."
