

Part of Our Community

Outpawed Rescue Trust is a registered charitable Trust set up by Hamish and Victoria Skinner. Having gained considerable experience fostering cats with another organisation, they took on two feral kittens that had been rejected as too unruly to work with. The couple, knowing cats and kittens like these often weren't given a chance, made it their goal to advocate for them and Outpawed was born.

Covering from Wellington to Horowhenua/Manawatu, the Trust's number one mission is to run a

programme to trap, treat (for any illness or injury), neuter cats and either return or relocate them. Whether returning the cat to its original territory or relocating, no cat is released without a caretaker.

Outpawed, whose policy is to never euthanize for behavioural reasons, runs a foster programme where cats are cared for and socialised in a foster home before rehoming. Foster homes are always sought after; anyone over 18 years old can apply to become a foster parent. Volunteers of all ages are always in demand for a variety of jobs.

Fundraising for vet bills etc is high on Outpawed's priority list, but donations of cat/kitten food, blankets, and litter are just as gratefully received.

Donations can be dropped at 11 Adventure Drive, Whitby, Porirua. Monetary donations can be made via <https://givealittle.co.nz/org/outpawed> or via deposit into The Outpawed Rescue Trust account 06-0284-0635488-00.
