Our Community

“The Gallery” is an exhibition centre owned and operated by volunteers and members of the Kapiti Arts & Crafts Society. The Society was formed in 1974, and provides an opportunity for everyone to be creative, learn and enjoy a huge variety of art and craft skills. Many members have gone on to become recognised and well respected in their field.

Opening in 1986, The Gallery, run entirely by volunteers, forms part of the Matai Road complex owned by the Society. It is invaluable, encouraging members to publicly showcase their work while helping offset some costs

Showcasing our local artisans

associated with running the Society and the Gallery.

The Gallery is included on the Kapiti Arts trail, as well as holding “themed” exhibitions of members’ work open to the public. Guest artists are invited to visit from time to time. For the remainder of the time, members’ unique work is on show and for sale.

An exhibition of work from the Spinners, Weavers, Knitters and Felters section finishes on 9 June

then from 25 September to 20 October works created by the Pottery Group will be on show.
