Since 2011 Helping You Help Animals (HUHA) has operated a massive animal sanctuary out of the former Ashford Park complex. They have a “no kill” policy, working 7 days a week caring for, finding homes and foster care for all kinds of animals who may be homeless, abandoned, seized or abused.

PETS ARE NOT JUST FOR CHRISTMAS

Christmas traditionally sees a huge increase in animals coming to HUHA. They may have been badly thought out gifts or belong to owners going away for the holidays. Pets require resources, time and money invested in them, they are friends for life, not just for Christmas. If you would like to make a donation to HUHA this Christmas, please text “HUHA” to 4463 to automatically donate \$3, or call in with donations of animal food, treats, and toys.

HUHA prefers people to “adopt, not shop” for pets as they often have animals for adoption. However, they advise those buying pets should avoid online sales, pet shops, anyone who is not a reputable breeder, or those not interested in the home you offer.

HUHA have fund raising op-shops in Otaki and Petone, plus an online gift store. They have purchased 157 acres on Haywards Hill to build a community hub focussing on education, national disaster relief, rehabilitating and re-homing animals.
