EMPOWERING YOUR FUTURE

Sailing toward Self-esteem

Kotuku Sea Scout Group hasn't let the challenge of COVID stand in the way of continuing their engaging and active programmes for kids aged 6 – 16. Using ingenuity during the 2020 lockdown, the group moved online with heaps of things for kids to keep busy with at home.

Despite further disruptions last year the Keas, Cubs and Scouts went camping on three occasions and attended ANZAC ceremonies at Manakau School. In term 4 the water quality at Lake Horowhenua was good enough for the group to sail every week. They finished off the year boxing up presents for children who don't get much for Christmas.

The kids really drive the group programmes. This not only boosts self-esteem but gives them great leadership experience. Adult kaiarahi/mentors fulfil the necessary safety and guidance roles ensuring all runs smoothly. All members over 12 years who take part in contact activities are vaccinated, but opportunities are provided for those who are not vaccinated to still be able to take part.

The group meets at the Kotuku Sea Scout Hall, at Playford Park, Levin.

New members are always welcome including adult and youth members to help with Group activities.
