CELEBRATING 100 YEARS IN OUR COMMUNITY

SeniorNet Kapiti was established 25 years ago as part of a nationwide programme to assist people aged 50 and over wanting to learn about technology or improve their skills.

The charitable organisation has volunteer tutors who share their expertise by teaching those who want to learn and it is totally free of charge. Tutors come from all walks of life and understand the frustrations of navigating your way around technology.

They keep abreast of new developments and share their knowledge in a patient, practical and easy to understand way.

The objective is to give people the confidence to use and enjoy their electronic devices in their daily lives.

There is increasing pressure for on line interaction with banks, insurance companies, service providers, government departments, local councils and more.

If you're of an age where digital technology wasn't a part of every day life,

SeniorNet Kapiti(Inc) is here. Covid lockdown demonstrated the importance of digital connectedness. Maintaining contact with family, friends and accessing essential services generally required digital know how.

SeniorNet Kapiti runs courses and workshops in navigating the ever-evolving digital world.

## Happy Anniversary SeniorNet Kapiti

Courses offer a relaxed and friendly learning environment covering everything including first time on the net, photo editing, social media interaction, banking and creating files to name a few. Courses follow all Covid regulations and are open to anyone 50 years and over. Timetables are published on the website [www.kapiti.seniornet.nz](http://www.kapiti.seniornet.nz)

The Learning Centre is at 200 Matai Road, Raumati Beach,  
Phone (04) 299 0754, email: [kapiti@seniornet.nz](mailto:kapiti@seniornet.nz)

## 2022 ANNUAL CONNECTION CONEXIS

Levin 27 - 29 September

Proudly sponsored by Electra this unique three day event, which brings together cable jointers, line mechanics and industry stakeholders from across New Zealand. The event consists of competitions, a suppliers expo, and closes with the Connexis Excellence Awards. For more detail go to – [www.connexis.org.nz/annual-connection/](http://www.connexis.org.nz/annual-connection/)

Join us in putting the spotlight on the skilled and experienced workforce, that is essential to keeping the lights on and the country connected.

#### KEY OBJECTIVES OF ANNUAL CONNECTION 2022

- Showcase and promote the Electricity Supply Industry
- Promote, recognise, and reward workforce skills, expertise and training
- Attract more people to join the industry
- Promote best practice in health and safety
- Showcase new technologies and innovation

## Electra

owns and operates  
the electricity network  
throughout Kapiti and Horowhenua.  
Our owner is the Electra Trust.  
Electra's Trust ownership ensures that we  
deliver an annual electricity sales discount  
to all consumers connected to our network.
