CELEBRATING 100 YEARS IN OUR COMMUNITY

Otaki Market Christmas magic

Otaki Market began in 1996 and is the longest running market on the Kapiti Coast. Since then the market has raised and donated thousands of dollars to community organisations including Arohanui Hospice, St John Health Shuttle, Rescue Helicopter, the Cancer Society, Otaki Food Bank, and others. Otaki College offers two scholarships annually sponsored by the Otaki Market.

The market is held every Sunday in summer and fortnightly in winter on State Highway 1 opposite Otaki New World and is renowned for unique stalls from throughout the country.

Leading up to Christmas, organisers Otaki Women's Community Club, would like to see the number of stalls swell. If you are interested some stall space is still available.

The 4th, 11th and 18th December markets will be free festive events for the family with a sausage sizzle, fun competitions and a great opportunity for Christmas shopping with gift wrapping available.

The 11th of December market will be that little bit more special with Santa's Grotto set up from 10am-1pm. No booking is required and feel free to bring your camera.
