EMPOWERING YOUR FUTURE

Homestead Creative Crafts at historic Thompson House, Levin has been raising funds to maintain the beautiful building as well as giving local crafters a place to exhibit and teach their talents.

Crafters Diane Means and Margaret Mitchel say the gallery really is the silver lining after COVID put the kibosh on Levin's annual 'Art in the Park' event. An abundance of talented Levin crafters had nowhere to exhibit their wares.

Diane and Margaret wanted to create something that would benefit the whole community not just the crafters. Homestead Creative Crafts was

Crafting for the Community

born, taking over the old caretakers flat in Thompson House. Local crafters were invited to submit their items and any sold would have full commission donated to Thompson House.

Locally produced, top shelf items like possum and merino wear, quilting, felting, woodturning, sugar craft, jewellery, hand and machine knitting plus much more are on display.

Tutors for every craft on display can be arranged and the women welcome

anyone wanting to learn or offer a new skill to come on board. Everything is volunteer driven with no tutors or gallery coordinators being paid.

Currently open from 11am until 3pm Thursday and Friday and they are happy to open by appointment.

For more information call into Thompson House, 4 Kent Street, Levin during the gallery opening hours or message the facebook page Homestead Creative Crafts Levin.
