EMPOWERING YOUR FUTURE

## Kapiti Miniature Railway

If driving a train is on your bucket list the Kapiti Miniature Railway could make your dream come true. Since 1980 the beautiful Raumati Marine Gardens have been home to Kapiti Miniature Railway.

The Club owns four Loco's, 12 carriages and operates a variety of live steam, internal combustion and battery electric locomotives. The track is just over a kilometre and is a triple loop, which includes two viaducts, two tunnels and two spirals. The round trip takes about seven minutes.

Entirely volunteer driven, a group of a dozen or

so active members give up their time to keep the great little service on track. Volunteers ensure, along with the normal Sunday service, special events like birthday, kindy, corporate and school parties along with annual twilight runs at the beginning and end of daylight saving go ahead.

Financed solely by the \$1.50 ticket sales, all maintenance is carried out by volunteers and excess funds are donated to local charities.

Kapiti Miniature Railway is always seeking volunteers to come on board. A variety of positions are available, full training can be given, and fun is guaranteed.

Come and talk to members on Sunday afternoons between 1pm and 4pm at the Raumati Marine Gardens, 338A Rosetta Road, Raumati Beach. Or visit the website for info about the club, contacts and events <https://www.kapitirail.org.nz> or email [secretary@kapitirail.org.nz](mailto:secretary@kapitirail.org.nz)

*If you are involved in a not-for-profit community organisation in the Horowhenua or Kapiti area, and would like to use this page, email Frankie Webb on [theforge@xtra.co.nz](mailto:theforge@xtra.co.nz) with your day / evening contact details.*
