# Our Community

If you're tech savvy and have time to share your knowledge, SeniorNet Kapiti would love to hear from you. Anyone with a background in technology, knowledge of a particular topic or ideas they would be willing to share with others are welcome. There are openings for tutors and course assistants for which training can be given.

SeniorNets were established nationwide to assist those aged 50 and over come to grips with digital technology and for the past 26 years the Kapiti group has been helping members do this.

Relaxed, friendly courses and workshops teach skills along with one-on-one workshops which focus on problems members encounter. Workshops on how to stay safe on line, recognising and avoiding scams are popular following recent media coverage.

A workshop has been introduced demystifying the basics of
