Electra | ALWAYS THERE,
FOR YOU

Our Community

Christmas is a demanding and challenging time for many families. Some years ago Whanganui Property Brokers, came up with a hugely successful initiative called 'Pack the Bus'. The community filled a bus with donated food items for distribution by foodbanks to ensure all families would have food on their tables for Christmas. It is now an annual event in Wairarapa, Whanganui and Manawatu.

If your business would be willing to have a box for the four days, we'd love to hear from you.

Uzabus have generously donated a bus for the duration and on 8 December we aim to collect all the boxes and PACK THE BUS to over-flowing! Donated food will be given to Levin Interchurch Foodbank who collects and co-ordinates foodbank donations for the Salvation Army Foodbank and local churches. Donated toys will be given to Birthright who supports single parent families from Shannon, Foxton, Otaki and everywhere in-between.

C'mon Horowhenua – Let's 'Pack the Bus'!

Property Brokers, Levin and Horowhenua District Council embraced the idea to create our very own inaugural Pack The Bus. From 4 to 8 December donations of food and new toys can be placed in designated boxes at all Horowhenua District Council service buildings, Property Brokers Bristol Street and as many local businesses as possible.

Any of the following, no matter how small, will be gratefully received: canned foods, cereal, spreads, rice, pasta, biscuits, packet meals, soup, pasta sauce, hygiene products, toilet paper, pet food, new toys.

If you would like a box or require further information please contact Teresa, phone 06 366 0880.

If you are involved in a not-for-profit community organisation in the Horowhenua or Kapiti area, and would like to use this page, email Frankie Webb on theforge@xtra.co.nz with your day / evening contact details.

THE DANGER THAT LURKS BELOW

Please be mindful of the hazard that exists when metal stakes are driven in an area where underground services may exist.

**DANGER
COULD
LURK
HERE**

Consider using non metallic stakes, getting power cables located, and keeping temporary fencing and signage inside the boundary.

Putting a plastic cap on the top of the stake is not much help if the danger is lurking below!

Electra

owns and operates the electricity network throughout Kapiti and Horowhenua. Our owner is the Electra Trust. Electra's Trust ownership ensures that we deliver an annual electricity sales discount to all consumers connected to our network.
