

FAQs about the Electra Price Discount

Why am I getting a Price Discount?

- ◆ The **2024 Electra Price Discount** covers the twelve-month period up to and including 31 January 2024:
 - If you were connected to the Electra Network at midnight on 31 January 2024, you are eligible for the 2024 Electra Price Discount
 - You are *not* eligible for the 2024 Electra Price Discount unless you were connected to the Electra network on 31 January 2024.
- ◆ The 2024 Electra Price Discount is made up of \$0.0850 per day (\$30 for a full year) plus \$0.0088 per kWh you have used at the eligible ICP(s) over the previous 12 months.
- ◆ If you haven't received your first bill yet, your first discount will be applied next year.
- ◆ **Calculation of the Electra Price Discount** – all Electra Price Discount allocations are made on data supplied to us by your electricity retailer.
- ◆ **The Electra Price Discount is a credit, *not* a cash payment** – the Electra Price Discount is credited to your electricity account, anywhere in New Zealand. You cannot receive your Electra Price Discount as a cash payment or credited to a bank account.
- ◆ **New customers to the area** – the Electra Price Discount you receive will cover the total time you have been connected to the Electra network for the year ended 31 January 2024.
- ◆ **Moved property within the Electra network** – if you move between properties and they are both connected to the Electra network, you'll be entitled to an Electra Price Discount that covers the total time you spent at *both* properties for the year ended 31 January 2024:
 - If the letter you receive about your Electra Price Discount is missing an ICP/Retailer (on the 2nd page of the letter), you should contact us to find out if you are entitled to a different Electra Price Discount
