EMPOWERING YOUR FUTURE

Electra owns and operates the electricity network in Kapiti and Horowhenua. We are proudly 100% locally owned by the Electra Trust, for the benefit of all consumers connected to the Electra electricity network. One of the benefits of Electra's Trust ownership is the delivery of annual price discounts to our connected consumers.

Our Community

For 16 years Manawatu Cancer Society's Horowhenua branch has been responding to the needs of the Horowhenua community from Winchester House, at 112 Winchester Street, Levin which is manned by volunteers five days a week 10am until 2pm.

Wonderful Winchester House

The branch provides a huge range of cancer support services including supportive care counselling, accommodation and travel support, transport to and from treatments, local support groups, massage, and reiki. It also drives health promotions such as the SunSmart education programme in schools, research funding for cancer treatments and cures and more.

The volunteer team will be fundraising in February at Levin's Medieval Market, and in March at the Relay For Life. August brings Daffodil Day and as well as taking to the streets selling daffodils, the Horowhenua branch will hold a High Tea fundraiser.

More volunteers are always needed. If you could spare an hour or two, please contact:
