EMPOWERING YOUR FUTURE

Electra owns and operates the electricity network in Kapiti and Horowhenua. We are proudly 100% locally owned by the Electra Trust, for the benefit of all consumers connected to the Electra electricity network. One of the benefits of Electra's Trust ownership is the delivery of annual price discounts to our connected consumers.

Our Community

In 1989 the Levin Baptist Church established the Adult Day Club to provide respite for full-time caregivers by giving relief from caring for loved ones, and also a place to come for those in need of companionship and stimulation because of isolation, disability or loneliness.

Adult Day Club provides a friendly, stimulating and safe social environment offering a variety of activities for their visitors who come from Otaki to Foxton. Activities include indoor bowls, table games and entertainers. Morning and afternoon tea, plus a

two-course lunch, is provided. Taxi pick-up can be arranged if needed.

Caring for Carers
